**PRESIDENT  
LIFE MATTERS WORLDWIDE**

Carolyn is the President of Life Matters Worldwide in Grand Rapids, MI. Carolyn Doyle has dedicated the past twenty-five years of her life to the truth that all human life matters to God and should matter to us all. This dedication is evident in her teaching, mentoring, speaking, and leadership style.

Prior to joining Life Matters, Carolyn served in a West Michigan pregnancy center for 17 years in various roles, nine of those years as Executive Director. This perspective has stirred a passion in her to see pregnancy centers teams thrive spiritually, professionally, and relationally so they in turn, can help the families they serve thrive.

Carolyn was raised on the mission field by parents who understood ministry to many people groups and provided invaluable training for her ministry journey. Carolyn is single and lives in Holland, MI. She loves to travel and spends as much time as possible with her family, friends, neighbors, and Benson, her Basset Hound.
